

### **The Company:**

Platte-Clay Electric Cooperative, Inc. is a progressive, growing, non-profit, member-owned distribution cooperative in the state of Missouri, providing electric service to seven counties north of Kansas City, MO. Platte-Clay Electric is guided by the Seven Cooperative Principles and the mission of “*empowering communities and energizing life with safe and reliable energy*”.

### **Job Description:**

Platte-Clay is currently seeking a qualified candidate to join our team for the position of Dispatch Radio Operator/System Operator at its Kearney office. This position requires a completion of required exams to become a Dispatch System Operator within two years of employment. This position is full time and requires working a 12-hour shift, midnight to noon, including some weekends.

### **Job Qualifications and Responsibilities:**

Candidates are required to have a high school diploma, with one year dispatch experience or five years of equivalent experience preferred. Must have customer service experience and ability to deal with the public. Excellent written and oral communication skills are essential. Must be able to multi-task in a dynamic and, at times, fast-paced environment. Candidate must be proficient in computer skills; SCADA equipment experience and familiarity with electrical system operations preferred. Must obtain a Missouri Class E driver’s license within 90-days of employment.

### **Why Should You Apply:**

- Platte-Clay has a great team and positive cooperative culture. We strive to be the best...and have fun doing it!!
- Platte-Clay Electric offers competitive wages
- Comprehensive benefits program
- Vacation pay
- Continued education opportunities

**Interested persons should submit resumes by March 8, 2024 to: Platte-Clay Electric Cooperative, Inc., Human Resources, P.O. Box 100, Kearney, MO 64060 or email to: [angiek@pcec.coop](mailto:angiek@pcec.coop)**

**Platte-Clay is an Equal Opportunity Employer. M/F/D/V.**
